

Montgomery 18th June 1847.

To

Hon^{ble} James Keble -

Attorney Gen^l of State -

Dear Sir -

Not knowing the proper Officer I have thought
advisable to inform you that sometime in the
year 1842 the estate of Jones Boston &c
was partitioned by sale on a credit of 12 months
suit was instituted by one or more - Judgement
recovered and a portion of the money lately collected
and the heirs have identified themselves except
one - Under the 41st Section Sec 124 of the
Law of Feb; 1840 regulating Proceedings in the
Probate Courts I am bound to report to Exec.
Dept^l - The Brothers are relations of the absent
heir are citizens of this County the amount small
about \$173.⁰⁰ or thereabouts - Our Probate
Judge is absent and I am desirous to discharge
my duty - Please advise me of my duty
can I be safe paying over the same to the relations
& taking a refunding bond

Yours Respectfully
Wm Howard - C. C.
County. Com^r M. C.

P.S.

Another point arises in our late Sheriff's election
the tenth day thereafter is Sunday - the Chief Justice
absent & two com^r acting - Will such a report
be received or can the Just^s defer the time & must they
give certificates & qualify -

Yours Respectfully
Wm Howard C. C.
