

maroon. I just xeroxed this roster of USN personnel  
on the eve of the Battle of Sunda Strait. It is of course, less  
USMC personnel. I have the names of the four USS  
Houston people who were wounded in the Battle of the  
Flores Sea and hospitalized in the Dutch hospital at  
Jogyakarta with 7 or 10 others from the Marblehead  
whom Dr. Wassel got out on the Jeuneuse. They seem  
to have gotten out alright, and I will send you their  
names and addresses as soon as I can get to it.  
William D. Miller USMC left no  
address. I'll send you his service no. perhaps VA  
can help. — Sam
