If you had a choice
between New York and Boston,
where would you stay?

At Providence's Biltmore Plaza, of course.

Over \$13 million and 18 months of restoration have gone into creating the Biltmore Plaza. An extraordinary hotel featuring a delightful blend of deluxe accommodations, exquisite dining and complete meeting facilities.

The Biltmore Plaza is located in the heart of downtown Providence, convenient to the financial district, the city's attractions, cultural events and all modes of transportation.

Four of Providence's finest restaurants are at the Biltmore Plaza, including the renowned L'Apogée on the 18th floor, serving fine continental cuisine in an elegant setting.

Choose from 350 individually appointed rooms and suites, priced \$36-\$54 single occupancy and \$42-\$62 double occupancy. Our spectacular Presidential and Vice Regal suites are also available for overnight accommodations.
