

MEMORANDUM

New York, N. Y., February 23, 1929.

HOUSTON NEGRO HOSPITAL
Francis Street Entrance

Mr. J. S. Cullinan,
Building.

I have noted copy of Wooding's memorandum to
Sinclair dated February 19th, under the above subject.

Unless it has been decided that this entrance
is a permanent one, it appears to me that the installation
proposed is rather elaborate and expensive.

CRAIG F. CULLINAN.
