

World Fantasy Awards --1975

Nominations for material published in the English language during 1973-74. The awards committee this year is composed of:

Ramsey Campbell
David G. Hartwell

Edward L. Ferman
Fritz Leiber

Gahan Wilson

All of the judges have removed themselves from award consideration for the period covered and the final results will be announced at the banquet on November 2nd. Each judge nominated from one to six choices in each category. The votes will be tabulated by the convention committee and will be checked by Ben Bova.
