Dear Ms. Randall:

As per our discussion a couple of weeks ago, the School of Professional Education would very much appreciate a donation of the reports and other materials related to the examination of textbooks for sexist content. The reports and materials will be available for study by scholars in the field. We will work with Dr. Wicker to see if there is a way the Library may serve as the repository. If that is not feasible, we will find other space and means of protecting them.

We very much appreciate your offering these reports and materials to us. Best wishes for success and happiness in your future endeavors.

Sincerely,

A handwritten signature in cursive script that reads "Hans C. Olsen".
