HOUSTON, TEXAS

MEMORANDUM

Houston, Texas,
December 8, 1927.

HOUSTON NEGRO HOSPITAL

Judge W. W. Moore,
Building.

This owns receipt of your memorandum
of the 7th.

I think it might be well to communicate
with the Mayor, acknowledging the information
received through his secretary, advising that
you are extremely absorbed on other matters
and will be for the balance of this and and at
least part of the coming week, following which
you will appreciate seeing Mr. Brock and going
over the matter with him.

My point is, that if we could arrange to
let Wooding do the work and have them pay for
it, we would have assurance of its early com-
pletion; the other point I have in mind is,
that Brock may want to follow his own ideas
rather than ours on the initial work.

I am now having a print prepared showing
the location of the trees, copy of which will
be made available to you when completed.
