Mrs. Maud Wood Park,

1626 Rhode Island Ave.,
Washingto, D. C.

Dear Mrs. Park:

Mrs. Catt has written that you want me about November 10th, and I cannot come then. You do not know how I hate to begin work with an excuse. It will probably be the first of December before I can come. Partly because I'm not strong yet, partly because this Liberty Loan final report is a whole job in itself and partly because I may not leave the Texas Equal Suffrage Association without holding a conference of District Chairmen and planning for the Legislation in January. The Flu situation forbids holding conferences for a week or ten days yet.

Please accept this excuse and I'll try not to offer many more.

Very sincerely yours,

President.
