Dear Miss Sanders:

Your card of January 29 addressed to the Director of Admissions has been referred to me for reply.

O
You are perhaps not aware of the fact that the University of Houston has discontinued its College of Nursing. It would therefore not be possible for you to take nursing courses at this institution.

P
I must further report to you that to date no Negro has been admitted to the University of Houston. The matter of desegregation is currently a subject of serious study on the part of the University and its Board of Governors. When a final decision has been reached, you will doubtless learn of it through the press.

Sincerely,

Clanton W. Williams
President
