Miss Georgia Simpson,
Route 2, Box 51
Crossett, Arkansas

Dear Miss Simpson:

Thank you for your recent inquiry about graduate work at the University of Houston.

The matter of desegregation is currently a subject of serious study on the part of the University and its Board of Regents. To date no Negro has been admitted to the University of Houston. It appears likely that desegregation at the graduate level will be preliminary to admission of undergraduate Negro students. When a final decision has been reached, you will doubtless see press notices about it.

Sincerely,

Clanton W. Williams
