We invite you to join us
 for a party with a serious purpose—
 ratification of the Equal Rights Amendment.

Proceeds will benefit ERAmerica,
 the national alliance that unites 130 organizations
 working to write women into the U.S. Constitution.

This expression of support during the
 National Women's Conference
 of International Women's Year
 will give coast-to-coast attention
 to the injustice of excluding women's rights
 from our nation's basic law.

Your support for this event
 will pay for all-out lobbying campaigns
 in the states that are a few votes short
 of ratifying the Amendment.
 Our strategy is to aim the full force of our campaign
 at key opponents who are most vulnerable
 to pressure from pro-ERA majorities
 in their districts.
