DAYS OF THE OLD WEST RECALLED BY EMPLOYEES
DURING ANNUAL HOUSTON LIVESTOCK SHOW & RODEO

In February and March of each year, Refinery men and women take a renewed interest in livestock and rodeo activities as the Houston Livestock Show and Rodeo begins its 10-day run.

Since many employees own ranches and farms, the livestock show draws their attention. Many attend shows and auctions. Many buy, some come just to watch.

A special attraction is often the calf brought in for showing by Shell calf scramble winners. This year, Jimmy Shaffer has won the grand champion in his class with his charolais calf.

More scrambles are held and young Robert Zane Rice from Montgomery and Billy Kahla from Port Bolivar haltered and dragged Shell's offerings to the finish line in the calf scrambles at the rodeo this week.

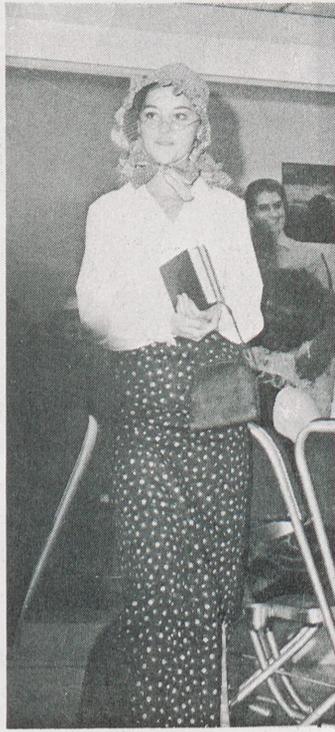

Houston Refinery sponsors both a dairy and a beef calf in the scrambles.

Each boy received a certificate toward the purchase of a calf of his choice. The boys will then bring their calves back to Houston for competitions with other calf scramble winners at next year's show.

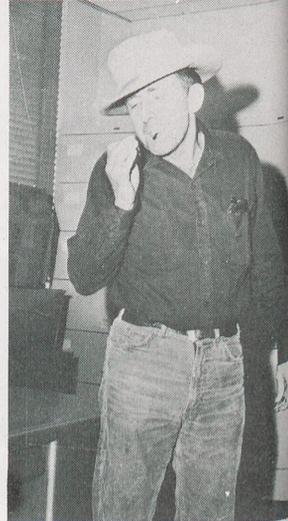

In conjunction with the Rodeo, Refiners return to the days of the wild west by participating in Go-Texan Day. Contest winners included Mrs. Claudia Matcek, most authentic cowgirl; W. E. Jensen, most authentic cowboy; Sandy Catoe, best dude woman; John C. Mures, best dude man; Miss Marilyn Edwards, most unusual cowgirl; and Bob Johansen, most unusual cowboy.

A special western lunch was served in the cafeteria during Go-Texan Day.

DONNA OWEN HOSTS MEXICAN EXCHANGE STUDENT

An exchange of students between the Ross S. Sterling High School of Houston and the Centro Escolar Ninos Heroes de Chapultepec of Puebla, Mexico, has brought 12 boys, 7 girls and 4 teachers, each paying their own travel expenses to Houston. Members of the group are staying at the homes of students and teachers from Sterling High School for three weeks.

Donna Owen, daughter of T. H. Owen of Expansion-Construction, has Patricia Montiel Bonilla as her guest. Patty speaks very little English. Needless to say, Donna translates any conversations between the Owens and Patty. Patty is almost 15 and is in the first year of preparatory which is equivalent to a junior in high school. Her parents are teachers in Puebla.

Patty is very interested in painting and folk dancing. She doodles constantly and can produce a sketch of a scene within a few minutes.

Donna is president of the school spanish club and has studied spanish for 6 years. "This experience is helping Donna add polish to her spanish," Tom Owen said.

The visitors attend school classes in the morning and spend the afternoons sightseeing in Houston. Among stops on the schedule are the Jones Hall, the Astrodome, Museum of Fine Arts, the Zoo, Burke-Baker Planetarium and the San Jacinto Battlegrounds. They will see their first American rodeo at the Houston Livestock Show & Rodeo.

The Ross Sterling students will return the visit beginning in mid-June during the Puebla term which does not end until late summer.
