to christen it tomorrow and
are considering asking Mrs.
Jim Wells to stand god mother.
The officers are

Now there is no misunder-
standing this is a "Suffrage"

and thrift. They want to
study having a meeting every
two weeks.

Please write Mrs. Holland
and send her a blue book
and a year book and
samples of all literature.
And send her no bill.
The Valley is hard up count
of drought. But I am
willing to give Brownsville
anything we have just
for love at present. And
please tell Mrs. Holland
that thrift lessons will
be sent when convention
