

HEADQUARTERS TEXAS WOMAN SUFFRAGE ASSOCIATION.
3128 Ave O $\frac{1}{2}$, Galveston, Texas.
June 18, 1915.

Dear Suffragist:

A few weeks ago we sent you a letter outlining the plan for the "Self Sacrifice Week" voted by the Convention, asking you to lay the matter before your organization, and communicate to me your plans and suggestions.

So far no word from you and the time draws near for the observance of our week of self denial (June 27 to July 3).

We can not over estimate the psychological value of the effect on the public of so many Suffragists exercising self denial for the Cause. The plan is to get a great "News Story" in all of the State papers on Sunday June 26th giving the names of places observing the week, the number of members in each organization and the date and program of the public meeting to be held at the close of it in each place.

You are urged therefore if you have not done so, to get the matter before your organization at once and to make sure either by phone or by postal card that every member of your organization knows about the plan and is urged to participate.

In order that we may get out a letter to the papers, please answer not later than Wednesday June 23, since there will be no time for correspondence after that. Enclosed a blank which I beg you will fill out and send me for my information.

Hoping to hear from you by return mail.

Cordially Yours,

President.
