7822 Belbay Street
Houston, Texas

Dear Mrs. Lopez:

This is to report that the bad drainage situation in the 7300 block of Avenue I, of which you advised my Administrative Officer, Mr. Steve Richard, has apparently been corrected.

As you will note from the attached copy of a letter from Mr. Travis L. Smith III, Director of the Department of Public Works, the ditches in this area have been cleaned as of July 22nd. I sincerely hope that this will improve the drainage in this area.

Yours very truly,

Lewis Cutrer
