HOUSTON NEGRO HOSPITAL

Mr. J. S. Cullinan,
25 West 43rd Street,
New York, N.Y.

Dear Sir:

1st: I thank you for your letter of June 25th.

2nd: Mr. Farrar, on behalf of the Advisory Committee, has charge of the drive under way on the part of the negro directors to provide funds for the operation and maintenance of the hospital. It was our thought that they would be given sixty to ninety days to develop their strength, looking forward to actually opening the hospital for patients around October 1st.

Yours truly,

(SIGNED) W. W. MOORE
