Dear Sir

Enclosed is an actual size design as suggestions for a bronze tablet incorporating the inscription given us. We are preparing an estimate for making this tablet and will wire you in a day or so

If you will telegraph us your decision, we shall be glad to proceed immediately with the work as we have retained a tracing that will enable us to start. However, we will need the finished design you have and will appreciate your returning it at your earliest convenience

Respectfully

MO/H
