LOST BATTALION ASSOCIATION ROSTER
2ND BATTALION 131ST FIELD ARTILLERY & USS HOUSTON (CA-30) SURVIVORS

An amazing fact about our Roster is now after some 38 years it is just about completed. At the end of World War II when we were liberated and separated as groups we scattered to the four winds. Almost immediately the effort was begun to locate the men of the 2nd Battalion 131st Field Artillery and USS Houston (CA-30) survivors who by no circumstances of their own were first brought together in prison camps of the Japanese. The close bonds of friendship and brotherly love has continued over the years and still continues to grow as time marches on.

Our Roster has been an important factor in our "keeping together." Even as late as 1973 there were still some 288 members who had not been located. Today, that number has been narrowed to nine men. Three of the nine have been located through the Navy Finance Department in Cleveland, but regulations do not permit them to forward their addresses to us, therefore they continue in this category. One man is presumed dead, and no word on the others. A separate page has been prepared for these men. Please keep up the quest for these men. We need to know their status.

Each person prefers to be identified with his own unit. The legend is as follows:

H	-	Headquarters Battery
D	-	"D" Battery
E	-	"E" Battery
F	-	"F" Battery
S	-	Service Battery
M	-	Medical Detachment
N	-	Navy Personnel
MC	-	Marine Corps Personnel
AO	-	Army Officers
NO	-	Navy Officers
MCO	-	Marine Corps Officers

The Roster is arranged alphabetically, and the first column shows the unit of assignment of each man. Another section indicates our deceased since liberation. Numerous blanks still show in this section and information is still requested from you. One section is arranged in ZIP code order, state, and name of each person. This quick reference has many applications. Hopefully you find it useful in your references and contacts with other members. Roster changes occur practically daily. Please send any information pertaining to Roster changes to you Secretary or President of the Association as this is the only way possible to keep the mailing list up to date.

May I leave you with these thoughts. This is taken from a moving talk by Clyde Fillmore to our Reunion group in Laredo, Texas, in 1981:

"We stood shoulder to shoulder, in combat and we walked side by side from prison camp to prison camp, in the heat, in the mud and in the rain, and in the middle of the night. We shouldered each others burdens and shared each others hopes.

Since that time we have continued to walk shoulder to shoulder, and side by side. The bonds of love and friendship forged in war and prison camps were not broken upon liberation. They have grown stronger and we have grown closer together as the years have passed."

Fraternally,

Roger White July, 1983
