and FRIEND

Many warm thanks for providing me with the most beautiful place of refuge before I go out into the world. Your wonderful new home has made leaving Austin - Possum Trot - nearly painless. I will always remember our many early-morning / outdoor breakfasts and am looking forward to some great breakfasts in BERLIN.

But above all, Mary, I appreciate your constant friendship, your encouragements and your uplifting spirit.

I wish you much happiness in your new life and home.

Jessica's graduation must mark an "end to an era" of visits to Austin but it certainly will not end my coming to this really attractive city nor my love of seeing you and staying here. Your new home is delightful and we have thoroughly enjoyed this weekend. You know there is always a welcome in Dallas so keep coming to see us too!

Love Charlotte

Dad was here Sat. June 6. He went to Houston the next day. We had a good visit.
