Key Points of the Retreat

- We will use Faculty/Staff and past SGA Leaders to facilitate the retreat
- During the 4 sessions a variety of topics will be given to provide Senators the choice of what discussions they wish to be a part of.
Some of the topics that will be provided:
 - Finance: the money wheel, what makes SGA and the University work?
 - PR: getting the word out from town halls to increasing attendance at meetings!
 - Legislation: Changing the University!
 - SGA Politics 101
 - HOT TOPICS: debating the issues of UH
- In order to provide you the Senators with an outstanding conference we will need your input for discussion topics.

The timeline will be based on what date(s) the Senate approves. However, the retreat can be accommodated either date(s). Food will be provided as well as social activities. Furthermore, we are going to try and have low-impact team building activities. If you are interested in being a part of the organizing task force your input will be welcomed.
