To Whom It May Concern:

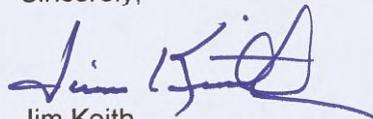

RE: Mary S. Lopez

Mrs. Mary S. Lopez has taught Spanish and English as a Second Language at the Clear Lake City Community Association as a part of the neighborhood class offerings that have been made available from time to time at this facility. This office has very limited contact with the students in these type classes, other than at reregistration time, but her reregistrations were almost always at 100%, someone moving being the main reason for not reregistering, and there were always favorable comments from the students regarding Mrs. Lopez.

From the information available to me, I understand that she was always punctual, well prepared and helpful to the students and quite willing to go the extra mile for them in helping students to understand a different language.

I am not in a position to offer these classes at this time due to other space limitations, thus I am not able to reemploy Mrs. Lopez currently as a part time contract instructor. Any institution that does will be gaining a valuable instructor and employee.

Sincerely,

Jim Keith
General Manager
