Dear Sir:

I would like to receive as much information as possible in the area of Health, Physical Education and Recreation, on the doctorate level, that is offered at your school. I would appreciate also if you would send at your earliest convenience a catalog for 1956-57 as well as your summer school schedule for this year.

I am a graduate of Texas Southern University with a bachelor of arts and master of science degree in the field of Health and Physical Education, under the direction of Dr. D. D. Rains Chairman of the Division. I realize due to certain circumstances I will not be able to attend classes regularly as a student at this time, however I would like to take the necessary courses leading towards this degree through correspondence. I would appreciate very much if this can be done.

I am a Korean veteran, having spent my tour of duty in the United States Marine Corps, with the rate of sergeant. I have about twenty-five months longer to further my studies in the field utilizing the Korean Bill.

Yours truly,
Osby B. Mitchell
