(Bld) HOUSTON NEGRO HOSPITAL

Mr. W. W. Moore,
Pres. Fidelity Trust Co.,
Houston, Texas.

Dear Mr. Moore:-

I have just gotten into Piney Woods,
or your letters would have had more prompt
answers.

It goes without saying that I am in
favor of the Houston Negro Hospital, and
I only wish I had some one whom I could
send to help the matter along. But we are
tied up so thoroughly here with filling the
needs of our own institution, and one of
those needs is for a small hospital, that
I can not see how any one could be spared.
If you were closer it might make the mat-
ter more simple, but at this distance
there is nothing we could do but send a
man there.

Please accept my good wishes in the
matter and appreciation for what you your-
self are doing to help it ahead. I am
returning the printed matter you sent me
thinking it may be of service elsewhere.

Respectfully,

(SGD) LAURENCE C. JONES
