Dear Sir:

Bids for lighting fixtures for the Houston Negro
Hospital are as follows:

Woods Electric Company, net	\$433.75
Jacobe Brothers,	\$434.38
Caywood Electric Company	\$450.95.

These bids are complete for fixtures, operating
room light, and all lamps.

As there is such a small difference between Jacobe
Brothers and Woods Electric Company, and as Jacobe Brothers
are installing the wiring, I would suggest that this firm
be awarded the fixture contract.

Respectfully submitted,

(Signed) Maurice J. Sullivan
