

FIRST ANNIVERSARY

Celebration

SAINT PATRICK'S DAY

1950

 **The Shamrock**

One year ago, The Shamrock was opened to the public . . . dedicated to its patrons. For me, a dream came true . . . the dream of an institution that reflected the spirit, symbolized the size and measured today's accomplishments and tomorrow's promise of Houston and the Great Southwest.

Tonight, on our first anniversary, I want to rededicate The Shamrock to its high purposes of service.
