You're missing a lot if you're missing Campaigns!

Campaigns is a bi-monthly authoritative source of information on every facet of military miniatures with a list of regular contributors that reads like a Who's Who of militaria:

Colonel J. R. Martel, Conservateur of the Musée de l'Armée, Paris.

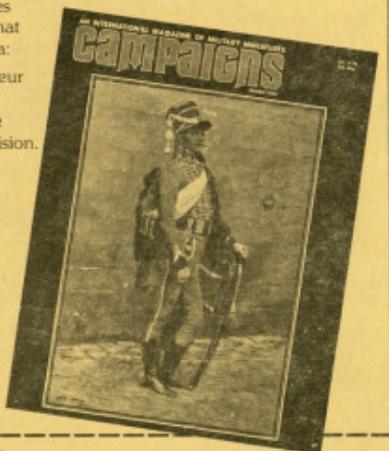

Giorgio Cantelli, assistant to the Italian General Staff, Historical Division.

Eugene Lelievre, Painter to the French Army.

Roy Dilley, past president of the British Model Soldier Society.

These are just a few. There are articles on war gaming by James Getz, miniatures painting by Pierre Conrad, British military history by W.Y. Carman and Brig. Peter Young. You'll read how to paint in oils or acrylics, how to assemble war game armies, the differences and the similarities between miniatures and board war games, new products, book and game reviews.
