

J. S. CULLINAN
HOUSTON, TEXAS

MEMORANDUM

Houston, Texas,
December 1, 1927.

HOUSTON NEGRO HOSPITAL

Mr. J. E. Wooding,
Building.

Referring to my letter of November 30th addressed to Judge Moore, copy of which was sent you:

At your convenience please follow up and submit estimates. Meantime, the print referred to will be made available to you and you should arrange for the street grade to be established by the City Engineer, same to be shown on our tracing, leaving permanent stakes that may be picked up as occasion may require; this for the purpose of placing the fence and hedge on an even grade.

In connection with hedge planting, double staggered rather than a single line should be considered.

Regarding the trees mentioned, I will go over the location of such with you.

J. S. CULLINAN.
