My dear Mrs Cummings

Your call was
received - Regret
that I shall not
be with you. The heat
is trying, and Austin
would be mentally trying
to me. I am not my self
since the Voting in the
Primaries ended the Strain
and Effort. We are all
ashamed of the way D. A. D

Bexar Co Voted – However,
The Democratic party, what-
ever fault it was, is now trying
to remedy their mistaken
apathy. Events are showing
up both guilt and repentance.

I am sorry not to come
but I know you will
forgive me when you
remember my loss.

I hope you will settle
every thing as it should
be – I have no strength
or body or spirit

and can only try to live
and to feel thankful for the
long friendship which has
existed between us for
two years.

Yours truly
Your friend
Mrs Eleanor V Pease
