TO ALL STAFF EMPLOYEES

"Go Texan" day soon will be history....but pleasant memories linger of city slickers in their western duds, pretty cowgirls in the bright colors of the lively West..... and a Hash House done up like a Chuck Wagon, serving a delicious brand of barbecue to satisfy any appetite. The folks at the Chuck Wagon did themselves right proud with a feast to make any range rider a contented and happy soul. So here's a "cheer" for our red-topped Chuck Wagon Gang for a meal worth braggin' about.
