Dear Madam President:

Will you send me at once information in regard to the following questions, to be incorporated in the annual report to the National Convention in December next?

1. Did you introduce a Presidential suffrage bill in your legislature this year?
2. If so, what men's and women's organizations backed it?
3. Was it reported favorably or unfavorably, and did it pass? By what vote?
4. Did you do any lobby work for the bill? Publicly or privately?
5. What interests opposed the bill, and how did they work?
6. Was the bill attacked in the courts and with what result?
7. Has a referendum been held in regard to the bill? If so, what was the vote?
8. In your judgment has the introduction of the bill advanced the cause of suffrage or has it not?

I shall appreciate a prompt response to this questionnaire in order that I may compile the data immediately, and any further information you may send in regard to conditions peculiar to your State will be most gratefully received.

Cordially yours,

P. B. P. Huse

Chairman Presidential Suffrage
