## Communists oust head of Polish government

Warsaw, Poland (AP) — Poland's Communist Party on Sunday ousted moderate leader Stanislaw Kania after 14 turbulent months in office, and called for an "immediate halt" to strikes by Solidarity, the official PAP news agency reported.

The party's Central Committee promptly elected Premier Gen. Wojciech Jaruzelski to replace Kania as first secretary, the news agency said.

There was no immediate official word on who would take Jaruzelski's position as premier.

Word of Kania's ouster was reported without comment by the media in other Warsaw Pact nations, which have been bitter critics of his moderate policies.

PAP said Kania submitted his resignation during a stormy session of the Central Committee, which began meeting Friday and ended Sunday. It said 54 percent of the 200 members voted to

accept the resignation.

The committee also demanded an "immediate halt" to strikes, and asked the Parliament to "temporarily suspend the right to strike" won by Solidarity, the only independent union in the Soviet bloc. It was founded in August 1980 amid a wave of nationwide strikes.

The resolution calls on the government to take drastic steps if needed to "defend the most vital interests of the state and nation."

Many party members had called for firm action against leaders they said were "ineffective." The decision to replace Kania, 54, with Jaruzelski apparently represented that feeling by the party members. However, PAP gave no reason for the resignation.

"Kania had apparently lost much support and had taken a harder line," a Western diplomatic observer said. "It

seems, though, that the committee was absolutely fed up that he wasn't doing what they wanted."

PAP said 184 committee members voted for Jaruzelski as the new party leader, the third to head the party since 1980.

Jaruzelski, a stern, silent career military officer, has been minister of defense since 1968 and became a Politburo member in 1971. He became premier last February, replacing Jozef Pinkowski who resigned.

Since he became premier, Jaruzelski, 58, has appointed several generals to his Cabinet or top positions in the government, heading the ministries of the interior and mining as well as the Polish national airline LOT.

Jaruzelski was a supporter of Kania's "line of agreement," or peaceful solution to Poland's problems and Solidarity demands, but he recently took a harder stance, urging Solidarity three weeks ago to moderate its policies.

It was not immediately clear if the switch forecasts a tougher line against the 9.5 million-member union, which had boldly challenged Poland's communist authorities for power in the past year.

In Lens, France, a spokesman for Solidarity head Lech Walesa, said, "I would be very surprised if the move signals a hardening of the position of the Communist Party because that would have dramatic consequences." Walesa is in France at the invitation of labor unions there and said he saw no reason to cut short the trip.

The resignation and election came just hours after union and government officials signed an agreement freezing most retail prices in response to Solidarity demands for a halt to price hikes until it agreed to a government economic reform plan.

Solidarity had backed its demand for a price freeze, economic planning and greater control over food distribution by threatening at its congress earlier this month in Gdansk to stage a nationwide warning strike.

Craig Chappel flips over the Sigma Chi - Delta Zeta Tramp-A-Thon held in front of the UC last Thursday. The event was part of the Homecoming week activities with the proceeds from sponsors going toward a scholarship for incoming freshmen. (Photo by Doug Dodson)

## Egyptian government asks for cooperation

Cairo, Egypt (AP) — Foreign Minister Kamal Hassan Aly called on other Arab states Sunday to show a "positive attitude" toward reconciliation with Egypt, but said they could not interfere with the Egyptian-Israeli peace process.

In an interview with the Associated Press, Aly said there had been unofficial contacts about re-establishing links with Saudi Arabia, which joined most other Arab states in severing relations with Egypt because of its pact with Israel.

"To my knowledge, there are no official contacts," Aly said, "But for unofficial — maybe there were some Arabs who were and are quite concerned about relations between Egypt and Saudi

Arabia . . . It was on a personal basis."

"If there will be any reconciliation, this will be based on a very firm position from Egypt; it will never be at the expense of Camp David or the Egyptian-Israeli treaty, including the normal relations with Israel," Aly added.

"On this basis, we have no objection to reconciling with other Arab countries. On the other hand, the Arabs should show a positive attitude to pave the way."

The 22-nation Arab League has suspended Egypt's membership since April 1979, a month after Egypt signed the U.S.-sponsored Camp David peace accord with Israel. The Palestine Liberation Organization is also a member.

## Turkish students plan founder's centennial

CHRIS LINDSAY  
Writer for The Daily Cougar

The Turkish Student Organization will hold the centennial birthday celebration of Mustafa Kemal Ataturk, founder of the Republic of Turkey, on Thursday in the Houston Room of the University Center.

The celebration will honor Ataturk's accomplishments and seek to strengthen cultural ties between Americans and Turks, TSO President Unal Baysal said.

Baysal said the program will include the film "The Incredible

Man," as well as guest speakers and refreshments. The event is being cosponsored by the American-Turkish Association. It starts at 8 p.m., costs nothing, and is open to the public.

Ataturk is a significant figure of 20th-century world history who "changed the direction of his country from the rule of the Ottoman Empire, to a path toward western democracy and a secular society," said Dr. Donald Quataert, UH associate professor of history.

During World War I, Turkey was allied with the German and Austrian forces and although he opposed his country's participation in that war, Ataturk helped to win the only significant Turkish victory against the allied forces in 1915.

After WWI, Ataturk formed a provisional government in September 1919, that claimed to represent the people of Turkey. He led the Turkish War of Independence and overthrew the Ottoman Sultanate.

In July 1923, he signed The Treaty of Lausanne with the Allied nations, the treaty that recognized Turkey's full sovereign rights. Then, on Oct. 29, 1923, Turkey proclaimed itself a Republic.

Ataturk was Turkey's first president, and under his leadership, a democratic system of government was established. He separated religion from government and also gave women the right to vote. Ataturk, which means "Father of the Turks," died on Nov. 10, 1938.

## New Social Security guidelines explained

By ROAXANNE VAN PELT  
Writer for The Daily Cougar

A group of handicapped students met recently with an official of the Texas Rehabilitation Commission to discuss how the changes in the Social Security Administration's policies governing its supplemental security income programs will affect their lives.

Terry Smith, a vocational rehabilitation counselor with the TRC, said recipients of Supplemental Security Income and Supplemental Security Disability Income are divided into two classes — diaried and non-diaried — depending on the severity and permanence of their disability.

A list compiled by The Institute for Rehabilitation and Research defines a "diaried case" as "a

Social Security recipient whose medical condition may improve to the point that the person can return to work."

A "non-diaried" person is one whose condition isn't expected to improve. Examples of the "non-diaried" person given by TIRR are "paraplegia, quadriplegia, legal blindness, deafness (and) multiple amputations."

Smith said both "diaried" and "non-diaried" cases will be re-examined.

Social Security benefits will continue for VR clients who are "non-diaried."

Recipients of SSDI will continue to receive benefit incentives to make the transition into the working world less difficult. The incentives are aimed at providing continued medical care and to give recipients something to fall back on should

employment cease, Smith said. The incentives include:

- SSDI payments will continue for the first nine months of employment.

- SSDI will continue to pay for some impairment related expenses, i.e. medical services, medication and special work equipment.

- Medicare coverage will continue for three years after disability payments cease.

- Recipients will be eligible to reapply for benefits if employment ceases within twelve months.

During the second half of the discussion, Smith described how beneficiaries of SSI will be affected.

Financial incentives to work while receiving SSI are a reduction of payments according to the amount of money earned and

consideration of impairment-related work expenses.

If an SSI recipient works, the money an SSI recipient has to put out in order to work (i.e. transportation) will be subtracted from his total earnings. Also disregarded is the first \$85.

After work-related expenses the first \$85 are subtracted from an SSI recipient's total earnings, the remainder is divided by two. The quotient is then subtracted from the amount of the SSI payment. The amount remaining after subtraction is the new SSI payment.

Other SSI incentives to work are:

- Medicaid will continue after a recipient starts work if earnings are less than \$898.

- Re-entitlement without reapplication if the recipient stops working in less than 24 months.

# SMU strangles Coogs 38-22

By **RICHARD BROWN**  
Sports Editor

Blame SMU's 38-22 Saturday night strangulation of the Cougars in the Astrodome on the Cougars themselves. Houston lost another game it didn't have to and team captain Grady Turner knew it.

"It was a vast disappointment," the 5-foot-11, 210-pound senior linebacker said. "It hurts, man, it really hurts. It's your last season and you're not

producing like you originally hoped to — it kills me, man, it kills me.

"You put forth everything you have, but to no avail. I think, not counting a few turnovers and a few interceptions, we were in that game. We should have won."

UH totaled 453 yards in total offense to the Mustang's 295, made twice as many first downs (25 to 12), tried 28 more offensive plays and was successful on six more third down conversions, and

the Coogs still lost.

Mustang strong safety Wes Hopkins' hands were dripping Cougar red after his contribution to the carnage. Hopkins picked off four Lionel Wilson passes, the most ever by a UH opponent, cruising one 66 yards into the end zone in the fourth quarter for SMU's fifth touchdown of the night.

The Coogs choked on their own mistakes and with their aversion of the goal line. A David Barrett fumble on the first play of the game was recovered by defensive tackle Harvey Armstrong and led to Eddie Garcia's 37-yard field goal. Wilson then directed the Coogs from their own 20 to the SMU 3, but he crashed into linebacker Eric Ferguson as he tried to sneak through to score on a fourth-down play.

UH had a 7-3 lead, thanks to Robert Durham's 11-yard touchdown run 7:34 into the second quarter, when Reggie Vonner intercepted a Lance McIlhenny pass and returned it to the SMU 25. But it brought nothing but another Mustang recovery of another UH fumble.

That recovery didn't lead to a SMU score, but the next one did. Wilson lost the ball after being hit hard on the UH 46. McIlhenny winged the Mustangs to the 25, where he dumped a pass off to Norm Revis for the touchdown.

SMU's Eric Dickerson, whose 109 yards rushing marked the eighth straight time he's gone over 100 yards, scored on a 31-yard scamper in the third quarter. Wilson closed the gap with a four-yard

(Above) Quarterback Lionel Wilson six-yard touchdown run in the fourth quarter wasn't enough as the Coogs lost to SMU 38-22. (Photo by James Leifeste)

## Conference roundup

**Arkansas 42 Texas 11:** There will be another No. 1-ranked team this week. The Hogs overwhelmed the 'Horns, taking full advantage of seven Texas turnovers. Two minutes into the game, UT quarterback Rick McIvor fumbled the snap from his center and the Hogs' Billy Ray Smith recovered the ball at the UT 19. Hog quarterback Tom Jones then scored on a quarterback sneak from one-yard out. UT snapper David Jones missed punter John Goodson and the ball flew into the end zone for an Arkansas safety. McIvor and running back A.J. Jones botched a play, and the fumble was taken by Jeff Goff at the UT 5. Hog running back Gary Anderson took the ball in for his first TD of the season and the score was 15-0, with Arkansas totaling just 24 yards of total offense for its points. Hog Bruce Lahay's 47-yard field goal was good. Texas settled for a 24-yard Raul Allegre field goal. Arkansas scored again before the half when

safety Kim Damerson picked off a McIvor pass at the UT 36, leading to Jones winging 19 yards to Anderson for the score. Fearing a Texas comeback like the one that propelled the 'Horns to a 34-14 win over Oklahoma last week, Arkansas sealed the game in the third quarter. Jones scrambled four yards for a TD to cap a 44-yard drive. Goff intercepted another McIvor pass to set up Darryl Bowles' 19-yard TD run on a fourth-and-one play from the UT 19. The Hogs compounded the embarrassment with Lahay's 37-yard field goal. Texas, facing the Hogs' second-unit defense, got their first TD of the afternoon with a minute remaining in the game. UT quarterback Robert Brewer hit Donnie Little with a 8-yard touchdown pass. The win was Arkansas' third in the series in the last 15 years.

**Rice 30 Texas Tech 23:** Owl quarterback Michael Calhoun's arm is still hot as he led Rice to its

# UHPD NOTICES

It has been brought to the attention of the University Administration that a serious problem exists regarding the parking of bicycles on campus. Members of our community are parking their bicycles in locations that create problems for handicapped students and that are blocking exits and stairways that must be kept clear in case of fire.

To address this problem the Dean of Students has instructed the Safety Department to begin ticketing and impounding those bicycles that are parked in stairways, impeding exits or interfering with handrail holds on handicap and entrance ramps.

For two weeks, beginning October 19, Police, Parking, and Safety personnel will notify University Police Officers of violators and Police will cut the securing chains and impound improperly parked bicycles.

To retrieve an impounded bicycle the owner must go to the Police Department, located in the stadium Annex, where he or she may be required to establish proof of ownership. People claiming an impounded bicycle will be issued a citation of 'parking in an area not designated for parking.' This citation carries a \$5.00 fine. All property unclaimed after 30 days will be turned over to the University Center for sale at public auction.

It is unfortunate that we must resort to these measures to insure our community's safety. In addition to the citation, bike owners will have the added expense of purchasing a replacement chain for their bicycle. However, when handicapped students are finding access to and from buildings blocked by bicycles and when stairways and exits necessary to people's safety are blocked, then we, as a community must develop a means to rectify the situation.

It is our hope that bicyclists, now that we have made them aware of the problem, will voluntarily comply with these regulations so that we don't have to impound their bikes and so they aren't faced with the inconvenience and added expense. The safety and security of our community in an ongoing team effort. Please help yourself and your fellow students by parking your bicycle properly.

The University of Houston Police Department has just recently completed the move to its new location. We are now located in the Stadium Annex Building off of Entrance Eleven and Wheeler. This location is opposite of the Child Care Center and the new Place Dorms. Twenty minute parking is provided in front of the Station on Entrance Eleven and one hour parking is provided in Parking Lot 6G, behind the station.

The telephone numbers for the various divisions in the Department are:

Police/Dispatcher.....2691  
EMERGENCY.....4111

(Top) SMU tailback Eric Dickerson left Mad Dogs in his wake during his 31-yard touchdown scamper in the third quarter. Dickerson carried 21 times for 109 yards and two touchdowns Saturday night.

(Above) Mustang strong safety Wes Hopkins gave Coog quarterback Lionel Wilson grief. Hopkins intercepted four Wilson passes, returning one 66 yards for a touchdown.

## Calhoun is hot; Jimmerson gives Bears win

Continued from page 4  
 third straight win — the first time the Owls have won three straight since 1973. Tech scored first on a five-yard run by freshman Raymond Lewis. Calhoun completed seven of seven passes in the second quarter, passing 64 yards in a 70-yard drive that ended with a 16-yard flight to Hosea Fortune for Rice's first TD. Tech's Gregg Lambert carried four yards for a score. Rice capitalized on Jesse Garcia's missed 61-yard field goal attempt, giving the Owls great field position. Calhoun passed 44 yards to Deron Miller, then hit Miller with a 12-yarder to tie the score. Calhoun's eight-yard pitch out to Miller worked in the second half. Then, a botched Tech hand off let Bryan Hill recover the ball at the Tech 18. Calhoun took the gift and four plays later hit Fortune with a one-yard TD pass. Tech got a 26-yard field goal from John Greve after the Owl defense held the Raiders at the Rice 3. Raider Terry Baer's interception in the fourth quarter let Lewis score from two yards out. Tech then picked off its third Calhoun pass, but Lewis fumbled the pitchout and the ball bounced back 20 yards. Tech faced a fourth-and-52 situation. Rice gained two points

when a hard-pressed Richey Ethridge was called for intentionally grounding a pass in his end zone. Calhoun passed for 180 yards, completing 13 of 27. Baylor 19 Texas A&M 17: Marty Jimmerson tied a Baylor school record with four field goals, booting the last one 21 yards to give the Bears the win with 22 seconds left in the game. Jimmerson's other kicks went for 50, 20 and 38 yards. Alfred Anderson went eight yards for Baylor's first TD, coming after Jimmerson's first kick. A&M closed the gap with quarterback Gary Kubiak's 41-yarder to Mike Whitwell and David Hardy's 19-

yard field goal.  
 TCU 13 Utah State 13: A game of missed opportunities. Three Frog drives were thwarted when Aggie defensive tackle Shawn Miller forced one fumble, recovered another and intercepted a Steve Stamp pass. Frog kicker Greg Porter kicked 39- and 52-yard field goals, but missed on a 51-yard attempt with eight seconds left that could have won the game. Stamp passed 26 yards to Kevin Haney for a TD with 4:52 left. TCU fans booed when the Frogs didn't go for the two-point conversion try and settled for a tie.

## Coogs did not help themselves

Continued from page 4  
 toss to Mark Ford in the end zone, but the Coogs remained on the short end of the score. The fourth quarter action typified the Coogs' bad fortune. Wilson, under attack by Mustangs, threw for Durham but found free safety Fred Mobley instead. Mobley returned the ball 65 yards for the score, marking the Coogs' seventh turnover of the game. SMU added another touchdown

on Dickerson's one-yard plunge with 5:00 left in the game. But, the Coogs gave SMU another gift after taking possession on Eugene Lockhart's fumble recovery. Wilson's next pass fell into Hopkins' hands, who dashed 64 yards to give SMU the game. Wilson scored on a six-yard keeper, then passed to Phea for a two-point conversion with 44 seconds left. The Coogs, though, had no place to go but home.

### Prof Emerita Nelson dies, 81

Dr. Esther Marion Nelson, who taught 20 years in the College of Education, died Oct. 14 after a heart attack and an extended illness. She was 81.

Nelson, a professor emerita, began teaching at UH in 1950. She retired from full-time teaching in 1965, but continued as part-time faculty until 1970.

She is survived by C.A. Nelson, a brother, of Portland, Ore. Funeral services were last Saturday.

# Accounting & Financial Graduates

## Consider a career with SUPERIOR OIL

Superior Oil is generally regarded as the largest independent oil and gas producer in the U.S. We're successful because of our people.

We expect a lot, but we offer a lot. Your education doesn't end on graduation day; it continues at Superior. Through intensive on-the-job training (even assistance toward a higher degree), we want you to grow with us.

Superior is a company large enough to offer you sophisticated challenge, and small enough so that your contributions can make a big difference.

Internal financial control, operations accounting and revenue analysis will be top priorities for Superior accountants and analysts in the years ahead. Positions are available in Houston and The Woodlands, Texas and Lafayette, Louisiana. Opportunities here are excellent for learning the special techniques of oil/gas accounting, the financial discipline with a future.

If you're ready to commit yourself to high standards of excellence and efficiency, let's talk. Because we are the leader that appreciates individual effort.

### INTERVIEWS ON CAMPUS Thursday, October 29th

To arrange an appointment at that time, visit your Business Placement Office or, if you prefer, forward your resume to: S. Vingo, Superior Oil, P.O. Box 1521, Houston, Texas 77001.
