Mr. Steve Richard
Administrative Assistant
to Mayor Lewis Cutrer

July 24, 1958

Complaint of Water Standing
in street

Your memo of May 23rd, under the above subject, reported a call from Mrs. Mary S. Lopez, 7822 Belbay, stating that water has been standing in the 7300 Block of Avenue I for several days.

Mr. Hord was instructed to investigate and see what might be done to correct this and I now have a report from him stating that these ditches have been cleaned by hand labor. This work was completed on July 22nd.

Travis L. Smith, III
Director
Department of Public Works
