Dear Miss Sublett:

O
Your letter of April 27 addressed to the Office of the Registrar has been referred to me for reply.

I must report to you that to date no Negro has been admitted to the University of Houston. The subject of desegregation is a matter of careful study on the part of the University and its Board of Governors at this time. When a decision is reached, you will most likely learn of it through the press.

Sincerely,

P
