Tables

Mr. J. S. Cullinan
Houston
Texas

Dear Sir

In reply to your letter of April 23rd we assure you that in making the new proposed tablet we can use the same style of bronze and border as the tablet furnished in 1926.

We are preparing a design and estimate and will submit them for your approval in about one week

At least eight weeks will be required to make the tablet after the return to us of the approved design

Respectfully

Tiffany & Co.
