Wilkinson planning student march from
NY on Jan 2 - to march on Washington

Grad of Texas (P.Sc.) &
Rhodes Scholar

Willie Morris - Editor of Texas

observer in Austin was present
taking notes & challenged Jorae
afterward as to who he was etc.

Several of M-C students said getting
sick of M-C day after day giving same
line in class and thanked Jorae for
stand he took.

Conf. most of Jones & Lopat

Commented on attitude of some students
during film - applauding when S.F.
police injured.

Feel McLesky very competent debater;
however, arrogant and intolerant of opposing
views.

also feel McL. belittled Communist
threat.

Reports suggesting students present
were much concerned.
