Col. Wallace Reilly
5011 Reiger
Dallas, Texas

My dear Wallace:

It is awfully nice of you to write your letter of the 15th.

I really wanted you on there, as I told you over the telephone. I did not think we ought to get anybody from San Antonio or, for that matter, from Houston, because Barney Egan who I understand to be a fine fellow was involved and I knew you would be fair.

Anyway, you gave me a good man and since the Committee acts unanimously, I guess the man I finally got to serve for the employers was not so bad either.

With all good wishes for you always, I am

Sincerely your friend,

Walter F. Woodul
Acting Governor of Texas
