'55 Corral Day 'Greatest Ever

As predicted, the 1955 Corral Day was the greatest.

An estimated 700 Exes and their families filed through the barbecue line and were rewarded with a succulent meal.

An ever greater number appeared for the evening program in beautiful Cullen Auditorium. The early-arrivers had a chance to cool off in the fabulous new swimming pool.

For many it was the first time to view the tree-lined tank, and many expressed intentions to see more of it during the summer.

The Poolside fashion show proved that a combination of beautiful girls, beautiful clothes and a beautiful at-

Joel H. "Hal" Berry, running unopposed for president on the Alumni ballot, had only four write-in votes placed against him. Two of these write-ins were for George Gobel, and he isn't even eligible. You know that.

bunch of Cougars we hadn't seen in a long time. First, though, let's clean up the correspondence.

The Army news center in KC, Mo., tells us that James L. Homer is manning a machine gun in the 753rd Ack-Ack Bn., in Japan. And, '53 grad Sam Houston IV was just promoted to first lieutenant. Sam is with the 1st Armored "Old Ironsides" division at Fort Hood.

John Taliaferro, '49, doing right well in show business. John had a role in "Brigadoon," has done summer stock and some concert work, 2 Broadway musicals, and opened April 19th with a good part in "Trouble in Tahati."

Paul Bishkin reports that the El Paso branch of the Alumni Ass'n had a small but very successful meeting last month. The gang down there is plugging to have Texas Tech as the Cougars' Homecoming opponent. That 61-14 defeat is hard to swallow.

'51 grad, William L. Bradshaw has been named assistant superintendent in the magnesium dept. of Dow Chimical Co. in Freeport. Bill's married to the former Barbara Smith of Beaumont. Three young 'uns, girls 4 and 21/2, boy 10 months.

Donald E. Hall, '51, with North American Aviation in Columbus, Ohoo, dropped by for coffee. Don and wife Lois have a pair of boys, Al and Wesley. Don's an engineer with the plane company.

A brand-new future Cougar for Puerto Rico. Exes Harold '49, and Louise Sprawls. Sharon Louise greeted the world April first. Harold plans to enroll her in the '77 class.

Another note from the army: 2nd Lt. Arthur V. Roberson Jr. '47, is up at the Aberdeen, Mr., proving ground, taking an officer's refresher course.

Robin Richard is the name of the newcomer at the home of Robert R. Rudy, '49. Bob and Margaret (Black- Dave's still wearing the USAF uniburn) are among the early birds to send in their '55 fund contribution. Thanks, Dad.

Bruhl MA '46. Tommy Lee is the new treasurer of the Alexander Love chapter, D.A.R., and a patroness of the Phi Beta music and drama group. Said Mr. Cullen: "The University was the brainchild of Dr. Oberholtzer. There is no question but that he is due much honor for fathering this great institution. However, without the assistance of an interested community, faculty, board of regents and student body, he alone would never have been able to build in so short a time a University of which we could all be proud.

"Now under the energetic and capable leadership of Gen. Bruce we feel that we are going on to greater heights," Mr. Cullen said.

President Bruce said the University will be eternally grateful to Mr. Cullen for his generous contri-

"It was not the amount of money Mr. Cullen gave the University that is most important. It was the fact that he gave it at the time he did, when the university needed it most," President Bruce said.

UH Library Gains New Volumes

More than 2,000 volumes were processed by the technical services division of the University library in April, according to Miss Zelda Osborne, assistant librarian.

The actual count was 2,027, including 1970 purchases and 57 gifts. In addition, 212 unaccessioned, unbound pieces were incorporated into the General Library.
