Dear Sir:

We are interested in obtaining the names and addresses of any Negro students who have applied for admission to your institution and were unable to gain admission, or who have attended your school and either completed their work or dropped out. In many instances, where the students can qualify, we may be able to assist them in continuing their education here.

We do not mean to add unduly to your full end-of-year schedule; consequently, we are interested primarily in such persons as indicated above whom you were in contact with during the 1956-57 school year only. If it is convenient, we would appreciate receiving the names and addresses of these persons at your earliest opportunity.

Please be assured of our gratefulness and if we can be of assistance to you in any way we shall be happy to learn of it.

Very truly yours,

L C McMillan
