Mr. W. W. Edwards
1911 Walker Street, Apt. 5
Houston, Texas

Dear Mr. Edwards:

Governor Allred is out of town and not expected back before the early part of the week. At the earliest opportunity after his return your letter will be placed before him, and you may be assured of his appreciation of your writing him.

In this matter, however, he has simply been following the law and working for a peaceable settlement of the controversy which would be to the best interests of all concerned. At present it appears to be reaching this conclusion, but if any other steps are necessary you may be assured Governor Allred will take them.

Thanking you in the Governor's behalf for any other suggestions or comments at any time, I am

Sincerely yours,

Dero D. Cowley
Secretary to the Governor
