Mrs. Emma Winner Rogers, Treasurer
National American Woman Suffrage Association,
New York,
N.Y.

My dear Mrs. Rogers:-

Above please find my expense account for trip from Texas to Washington, to serve as Secretary to the Congressional Committee. Please mail the check to cover same to me at Suffrage House in Washington rather than my usual Texas address.

Our Texas Treasurer has written me in great distress about our deficit, and asks that I speak a word to you about it. You know that this is the first time that Texas has ever had a Treasurer who felt responsible for raising the money we need for our work. It is a great relief to me, and I can assure you that, tho we may not be at present in good standing on your books, we will be some day, and that not so far off I hope. When you feel impatient at carrying us always "in the red", please remember that Texas has been like a growing child in the past year or so, and it is hard to keep her clothes let out to fit! We make you more trouble I am sure than when we did not contribute at all to the National Treasury, but I am sure that you would not wish it otherwise.

With best wishes, I am

Very sincerely yours,
